

Mr. Gregory's Movember Moustache

Hello Students! I am growing a moustache as a fundraiser for men's health concerns. I'm promised the following will happen if I reach certain dollar amounts:

If I can reach the goal of \$500, I will create another video of teachers reading the book 'Moostache' (written by Margi Palatini)

If I can reach a goal of \$600, I will attempt to dye the moustache **red** or **green** (Christmas colours) on December 1st

If I can reach a goal of \$800, I will choose one lucky student to hit Mr. Gregory in the face with a pie! (and film it for all to see)

If I can reach a goal of \$1,000, both Mr. Wickman and Mr. Gregory will choose one lucky student to hit them in the face with a pie!

* If you are interested in donating, **ask your parents** to phone the school or visit the school's website to get a link to donate on line.

* I will also accept cash or cheque donations dropped off in my classroom!

Thanks, Mr. Gregory
