

A TIME TO REMEMBER

Yarrow Community
School

Chilliwack, BC

November 5, 2020

Newsletter #3

Mrs. McCann's Classroom Newsletter

November's Look at a Glance

In Social Studies we will be learning about our rights and responsibilities regionally and globally. Along with learning about their rights and responsibilities in the classroom and school, your child will learn about their responsibility within our community and beyond.

During guided reading, we are continuing to read a variety of fiction texts while practicing several reading strategies. Your child is learning the importance of self-monitoring to ensure what they are reading is making sense. During writer's workshop, your child is continuing to learn how to create different types of writing to deepen their awareness of self, family and their community. Along with personal narrative and opinion writing, we will begin the letter writing process.

Our Math rotations continue with number sense and patterns within numbers as the focus. The Grade 2's are working on numbers 1 through 100 while the Grade 3's are working with numbers up to 1000.

Mathletics is up and running and is a great way to review and supplement concepts covered in class. It is very popular in the class and students are able to, and encouraged, to use it at home.

Fresh Grade

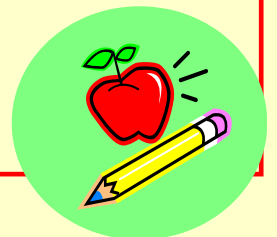

This is a reminder that Fresh Grade is up and running. Through Fresh Grade I can send you "real time" pictures of your child's work, activities in the class or field trip excursions. In addition, audio and video recordings can be sent so you can hear or see what your child is up to throughout the day in the classroom. I am new to the program but as the year goes on I am hoping to become more familiar and comfortable with it. Thank you to the families who are commenting and checking in to see what your child is learning.

If you have not received a request to join Fresh Grade please email me and I will send you the invite.

November Book Orders

Once again, if you would like to order from Scholastics, all book orders are done on-line.

Our class code is RC231385. If you would like to order books for your child go to [scholastic.ca](https://www.scholastic.ca), browse the book order forms which are on line, then enter our class code in the coupon field during checkout.

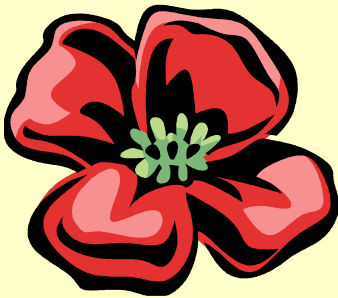

Remembrance Day

November is a time to remember and to honour our veterans. Yarrow Community School's Remembrance Day Assembly will look very different this year. Students will be viewing a virtual assembly presented by the Chilliwack School District from their classroom. The assembly will be on Tuesday, November 10th, 2020 beginning at 10:45 am.

Yarrow Food and Clothing Drive

Information is coming soon...

Reminders to Parents

1. Please continue to encourage your child to read nightly
2. Remind your child of the importance of Remembrance Day. Lest we forget.
