Welcome to Kindergarten! This year we will take the first two weeks of school to get to know all of the incoming kindergarten students. Mrs. Hills, Mrs. Jarvis, and Mrs. Johnston will spend time with all students to better understand the various personalities and needs. Students will rotate between teachers throughout the two weeks. Taking the time to get to know all of the Kindergarten students before setting class lists will help our Kindergarten team create balanced classes which take into account everyone’s individual needs. On Friday, September 17th students will be dismissed from the class that they will be in for the rest of the year. Starting Monday, September 20th we will attend a full day of school.
