Welcome back to school! We are so looking forward to another amazing year at Yarrow Community School! We hope that everyone had a safe and restful summer and are ready to get back into the routine of school!

If you are a parent at our school you are part of the PAC! We hold meetings once a month. These are held in person as well as via ZOOM to accommodate as many parents as possible. This is where we communicate together and decide how we can best support our kids and school! We would love to see you come out to our meetings and be a part of the process. We are hoping to create some fun events throughout the year and would love your input! We do have an executive team that helps us keep things running smoothly.
