

Super Reader

2022-2023

Use these forms to keep track of everyday you read for 20 minutes or more at home. Please check off only one box per day. Have a parent or guardian sign the sheet once it is completed and then hand it in at the library to get a prize. Please only hand in one set of 50 at a time.

Students will be recognized at Super Reader celebrations when they have reached 100 nights of reading and the final goal of 250 nights of reading. The calendar below shows the dates when each form can be handed in. You can back date to the first day of school if you've been reading since then. Let's make this a great year of reading!

- 150 nights = Tuesday, January 31
- 200 nights = Tuesday, April 4
