Here we go...the start of another year. I hear that everyone had a great summer and we are now ready to move into routine. The school year invites many routines to take place and students are moving quickly into them. We have 16 new students to make a total of 271 students and 189 families. We as a staff are committed to making this school year the best for your child.

Our school bell this year rings at 7:59 and morning supervision starts at 7:44. Recess this year is from 10-10:15 and our lunch bell rings at 11:45. Students eat from 11:45 -12 and play outside for 30 minutes. The bell to end the day rings at 1:55. Please make a meeting spot if picking up your child. Our parking lot is a busy place at 1:55 and we need to keep safety of our students the number one priority. Many of our students ride the bus which means that the bus loop needs to be kept clear, Please do not park or wait in the bus loop. If you find the parking lot too congested you can always park at the Library and have your child walk through the back field. Please do not pick up or park in the staff parking lot.

We look forward to a great year. Ms. Johnson and myself are always available at the office if you have any questions

School supplies are purchased for you by the school. Please make cheques payable to Yarrow Community School \$50

You should be hearing from your child's teacher in the next week

YARROW PAC NEWS

YARROW COMMUNITY SCHOOL

Welcome to the PAC!

A new school year has begun and we hope that it will be a fantastic one together at Yarrow Community School (YCS). If you are a parent at our school, you are a part of the PAC! A big welcome to all of our new families this year.

PAC stands for Parent Advisory Council and it is a place where parents come together to support our children and our school. It includes things such as organizing hot lunches, yearbooks, and spirit wear and fundraising for school projects and events. At Yarrow, the PAC meets on the last Tuesday evening of the month in person and via ZOOM.

Most of us on the PAC executive are new to our roles this year and we would love you to come out at the end of the month to hear our ideas for the year and share some ideas that you might have! We will be communicating with you this year in a variety of ways.

1. Facebook "Yarrow Community School PAC" Look it up and join!
2. Email
3. Forms coming home - check your backpacks!

We are often looking for volunteers so keep your eyes open for that ;)
