

Explorer's Research Report

Sequence/Steps

- 1) Choose an Explorer who came to Canada or B.C.
- 2) Locate Information (Textbook, Handouts, Library or Internet)
(no information? change your explorer)
- 3) Read and take point form notes (no copying word for word)
- 4) Create a rough copy (format, layout, check criteria)
- 5) Edit and Revise
- 6) Good Copy (Check Criteria and it looks fantastic!)

Tips:

- stay ahead of schedule
- keep your notes and rough copy organized
- check the criteria
