Hot Lunch

As we move into November, we are grateful for the wonderful sense of community that continues to shine at Yarrow Elementary. Students have settled beautifully into routines and are showing great growth in their learning, friendships, and leadership.

This month brings opportunities to reflect, remember, and give. Our school will come together for Remembrance Day to honour those who have served and continue to serve our country. We will also begin looking ahead to the winter season and ways we can support others in our community through acts of kindness and generosity.

Teachers are busy assessing student learning and preparing for Term 1 reporting, which will give families a snapshot of progress so far this year. Please continue to connect with your child's teacher if you have questions or want ideas for supporting learning at home.

As the weather cools, please ensure your child is dressed for outdoor play—our students love being outside, even in the rain!

Thank you for your ongoing support, encouragement, and partnership. Together, we're helping every child learn, grow, and thrive.

Christmas Decor Donations

We are looking for donations of gently used Christmas decor items. If you have anything to donate, please bring it to the office by November 14th. The items will be sold at our “Christmas Market” that will take place November 17th - 19th. All proceeds will go towards Grade 5 year end celebrations. (See Flyer attached below)

Books, Bannock, and Bingo

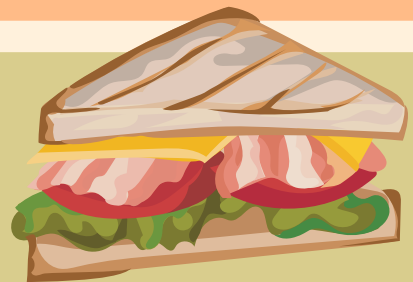

Thursday, November 27th 6:00-7:00pm in school gym.

A Note From The PAC

November is a great time to pause and appreciate our amazing school community. Thank you to everyone who continues to show up, volunteer, donate, and cheer us on behind the scenes, your support truly makes a difference.

🍿 Our first Popcorn Day was a hit! Thank you to our wonderful volunteers who helped make it happen. We love seeing those happy popcorn smiles throughout the school!

🎬 Our very first Movie Night was also a success! A big thank-you goes out to all the families who came out to enjoy the show, our amazing Movie Committee volunteers who ran the event, and our generous Dinner Sponsor, Joe Skillen Tree Service! Events like this remind us just how special our school community is – we couldn't do it without your support! We have a few fun things in the works for the coming months, including some exciting parent nights in the new year – from technology sessions with The White Hatter to a puzzle night. The fun is just getting started.

As always, if you have ideas or want to get involved, we'd love to hear from you
