December was a wonderfully busy month at Yarrow, filled with special events, celebrations, and memorable moments for our students and staff. With so much excitement, routines can sometimes take a back seat—and that's completely natural during such a vibrant time of year.

As we move into January, we are ready to settle back into familiar routines and get down to the important work of learning. Classrooms are refocusing on foundational skills, goal setting, and building strong learning habits that will carry students through the rest of the year.

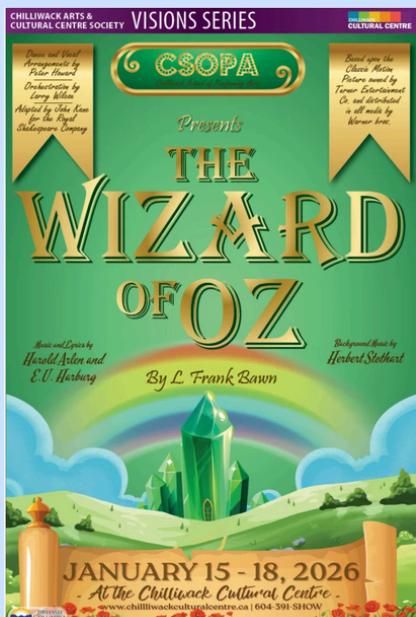

January is a great time for students to practice independence, perseverance, and responsibility, and we appreciate your continued support at home as we work together to help students thrive. We are looking forward to a productive, focused, and engaging start to 2026.

# School Zone Safety Reminder

As we continue into the winter months, we ask all families to please drive with extra care in and around school zone areas. The safety of our students is our utmost priority. We kindly remind families to be mindful of designated parking areas and to not stop or exit vehicles in the bus loop. Buses have been experiencing difficulty entering and exiting the loop when cars are waiting or parked along the sides. Thank you for your cooperation and for helping us keep arrival and dismissal times safe for everyone.

## CSOPA Wizard of Oz - Jan 12

Thanks to the PAC who is generously send the grades 1-5 students to this great show. Permission slips are coming home today. Please sign and return them for the January 12<sup>th</sup> show. We're off to see the Wizard! We are joining CSOPA's Main Stage program for the beloved classic tale of the Wizard of OZ. Follow the yellow brick road in this delightful stage adaptation of L. Frank Baum's beloved tale, featuring the iconic musical score from

the MGM film. A young farm girl, Dorothy Gale, gets swept away into the fantastical world of OZ by a tornado. She journeys along the Yellow Brick Road to the Emerald City to ask the famous wizard of OZ for help in returning home. Along the way, she befriends a Scarecrow, Tin Man, and Cowardly Lion, who are also seeking to have wishes granted. To gain his aid, they must defeat the Wicked Witch of the West! Will Dorothy and her new friends make it to the Wizard and have their wishes granted, Or has what they sought been in them all along?
