

## Unit 14

**habitat organism adaptation salmon plankton  
hatchery aquarium scientist redd shelter  
adventure picture temperature structure culture**

- 1) Handwrite each spelling word in your exercise book
- 2) Write 10 sentences using list words. The sentence must have a direct quote. Use the quotation mark techniques discussed in class. There are examples below and on the salmon story planning page. Do not use the word 'said'. Said is dead! Underline the spelling word with a ruler and red pen.

Examples: (notice no said)

“Look out for that bear!” shrieked Fred.  
Fred shrieked, “Look out for that bear!”

“How many salmon are in the pond?” questioned Jill.  
Jill questioned, “How many salmon are in the pond?”

“I’ll meet you in the library,” whispered Suzy.  
Suzy whispered, “I’ll meet you in the library.”
